

## Phase IV

CSCI 362 spring 2016

Project Phase IV: Complete Software

Due Dates:

Presentation due Thursday, April 28

All artifacts at due date: **Soft copy and hard copy submission\*\***

Value: 30 points

### Instructions

For this part of the project, you have to finalize the software. All requirements must meet before you release.

Your task for this assignment is to make complete set of software which has a quality of services. The software should be tested and validated by customer so that it is ready to be released.

### Deliverables

- On the presentation due date, all teams shall present their software. Each team will have 20 minutes maximum to present. You should demonstrate entire software comparing to requirements.
- Program codes
- Final Report: final reports consist of following categories:

- I. **Change History**
- II. **Purpose of Project**
- III. **System Overview**
- IV. **Market Search**

**v. Feature Description****vi. Requirements****vii. System Model****viii. Design****a. Design Goal****b. User Interface****c. System Service****ix. Test Plans****a. Testing Scenario****b. Testing Schedule****Appendix****Basis for Grade**

Presentation:	10 points – see below
Documentation & Coding:	15 points – see below
Minutes	5 points
	-----
	30 points

**Grading Rationale**

The presentations shall be ranked based on acceptance by the customer. The team(s) who are ranked first shall receive the full 30, those ranked second shall earn a base 25 points, and those ranked next to receive 20 points and so on. It is likely that several teams will be ranked together. **Make no mistake --** this is a competition! The quality of your presentation, program code, and your document shall determine the ranking.

**Final Notice:**

You will receive team evaluation form by mail at the end of the semester. Your overall project grade will be affected by your team evaluation.

**Submission Guideline:**

Softcopy: Make a zip file which includes all of your codes, and documents. Your zip file name should be your team name. Submit through blackboard.

Hardcopy: Print out final report, ppt, and meeting minutes, staple all, and turn it in to the instructor before you start your presentation.
